Informed Consent

I voluntarily consent to be treated by David Magill, L.Ac.. I understand that acupuncture is a treatment consisting of insertion of sterile, disposable needles into the skin. Complications may result from acupuncture and include areas of numbness, fainting, nausea, bruising, infection, pain, pneumothorax, and aggravation of present symptoms. Acupuncture is not considered a substitute for western medicine and we recommend that you consult your physician for any serious conditions. I have read this consent and understand its contents.
